Deloitte

Innovation, business and leadership
The world is changing. To navigate it, we need pioneers.

We share a passion with those who aspire. Those who look deeper. Push further. Those who drive breakthroughs. Who inspire new industries. Those who go beyond ‘business as usual’. And pursue excellence not for the glory, but for the benefit of human kind.

We believe that through coming together, we make extraordinary progress and break new ground. By collaborating with best-in-class third parties in innovation, business and leadership, we’re advancing ambition and finding unprecedented solutions. Deloitte combines cutting-edge capabilities with those of remarkable ability to make an impact that matters to our people, the clients we serve, and society as a whole.
Event major sponsor

People’s Choice Credit Union

People’s Choice is one of Australia’s largest and most successful credit unions, helping its 365,000 members across the country save, borrow, protect and plan for their future.

Proudly headquartered in Adelaide, People’s Choice is South Australia’s largest independent banking organisation, serving one in five South Australians and employing more than 800 South Australians across the state. Roy Morgan has named People’s Choice as the country’s best credit union for the second year running, and Canstar has named it the best member-owned institution for first homebuyers in South Australia, Victoria and the Northern Territory multiple years in a row.

With $10.5 billion in assets under management and advice and levels of customer satisfaction, trust and advocacy that lead the financial services sector, People’s Choice offers a genuine alternative to the major banks.
keynote speaker

Philip Lowe
Governor, Reserve Bank of Australia

Philip Lowe holds a PhD from the Massachusetts Institute of Technology and a B.Comm (Honours) in Economics/Econometrics from the University of New South Wales. He has authored numerous papers, including on the linkages between monetary policy and financial stability. He commenced as Governor of the Reserve Bank of Australia on 18 September 2016.

He is Chair of the Reserve Bank Board and Payments System Board, and Chair of the Council of Financial Regulators. He is a member of the Financial Stability Board. Prior to his current role, Philip held the positions of Deputy Governor, Assistant Governor (Economic) and Assistant Governor (Financial System). He also spent two years at the Bank for International Settlements working on financial stability issues.

Philip is Chair of the Financial Markets Foundation for Children and a director of The Anika Foundation. He is also Chair of the Committee on the Global Financial System of the Bank for International Settlements.
Melinda Cilento
Chief Executive Officer, CEDA

Melinda is a company director, economist and experienced senior executive. She is a non-executive director of Australian Unity and Co-Chair of Reconciliation Australia. Melinda is also a member of the Parliamentary Budget Office panel of expert advisors.

She was previously a Non-Executive Director with Woodside Petroleum, Commissioner with the Productivity Commission and Deputy CEO and Chief Economist with the Business Council of Australia. Melinda has also previously held senior roles with the Federal Department of Treasury, Invesco and the International Monetary Fund.
introduction

Steve Laidlaw
Managing Director and Chief Executive Officer, People's Choice Credit Union

Steve was appointed Chief Executive Officer of People's Choice Credit Union in January 2016, having previously been the organisation's Chief Financial Officer since 2012.

He has significant people leadership and General Management experience in the retail banking and finance industry. He previously held the Chief Financial Officer role with Rural Bank, now a part of the Bendigo and Adelaide Bank Group of Companies, for approximately seven years. Steve is also a Director of Cuscal Limited.

vote of thanks

Hendri Mentz
Managing Partner SA, Deloitte

Hendri was appointed managing partner for South Australia in January 2019. He has more than 22 years’ experience in risk management, assurance and consulting to a variety of private and public sector clients. Recognised as a pre-eminent specialist in the design of risk, control and financial management frameworks, he has delivered major internal and external audits and led a number of significant financial management consulting engagements, exposing him to all aspects of organisational governance.
CEDA would like to thank the following members for hosting a corporate table at today’s event.

about CEDA

CEDA is an independent, not-for-profit membership organisation. CEDA identifies policy issues that matter for Australia’s future and pursue solutions that deliver better economic, social and environmental outcomes for Australia. CEDA’s cross-sector membership spans every state and territory and includes more than 780 of Australia’s leading businesses, community organisations, government departments and academic institutions.

Membership

Organisations join CEDA because CEDA delivers exposure to high level thought leadership, timely briefings on issues of economic importance, access to networking and brand reach through sponsorship and hosting opportunities. In addition to high profile public events, CEDA also delivers regular member only events for employees of member organisations and exclusive Trustee only boardroom briefings for senior executives from member organisations. These provide a unique opportunity for peer-to-peer knowledge exchange and for speakers and attendees to talk candidly on issues.

Research and policy

CEDA’s only agenda is to pursue good public policy to progress Australia’s economic and social development. Since 1960 CEDA has produced more than 3000 publications, research reports and articles highlighting emerging issues and directions in a diverse range of policy areas. Research in 2019 will focus on Australia’s long-term budget position, the effects of temporary migration, a survey of Australian businesses on their approach to economic development, and new approaches to addressing entrenched disadvantage.
